Dear Brothers and Sisters,

Attention: Local 313 Nominations and Elections by Mail

The US postal service did not deposit uncertified nomination letters in the Local P.O. Box, and because of this error, all nomination letters are null and void. At the direction of the International, Local 313 nominations remain open until 7pm on 7/29/2020.

To ensure a fair process and to alleviate further postal issues the hall rental entrance will be used for candidates to drop off self-nomination letters to the Election Judge and tellers between the hours of 3pm and 7pm on 7/29/2020. The drop-off option will be an addition to the regular mail service and if a candidate is unable to make the 7/29/2020 window, you will need to resubmit a **certified** nomination letter due by 3pm on 7/29/2020 (**not postmarked, but received**) to the following address:

**Local 313, IBEW
P.O. Box 10685
Wilmington, DE 19850**

The following dates are adjusted to accommodate the elections by mail due to the nominations extension:

- July 30, 2020 through August 7, 2020: Ballot prep and mailed to members.
- September 2, 2020 ballots due to Elections USA (**not postmarked but received**).
- September 5, 2020 Elections USA tallies election results at the Local 313 Hall.

Again, I apologize for any inconvenience and for any further questions do not hesitate to call at **(302) 357-8320**

Fraternally,

Colin Waters
