**Re: IBEW East Coast Motorcycle Ride Cancellation**

Dear Sisters and Brothers:

After careful consideration, due to the ongoing outbreak of COVID-19. I have decided to cancel the IBEW East Coast Motorcycle Ride scheduled for July 20, 2020, in Charleston, West Virginia.

I apologize for any disruption to your plans, however protecting the health and safety of IBEW officers and members is of great importance. With that in mind, please continue to practice precautions such as washing hands frequently, covering nose and mouth when coughing, and avoiding close contact with people showing symptoms.

Please be advised registration fees paid by credit card will be refunded to the credit card, and registration fees paid by check will be refunded with a check.

Participants are responsible for cancelling their own hotel reservations. Please contact the Construction and Maintenance Department at (202) 728-6079 or by email to [Construction@ibew.org](mailto:Construction@ibew.org) with any questions or concerns. I look forward to seeing you at next year's ride scheduled for July 10, 2021, in Charleston, West Virginia.

With best wishes, I am

Fraternally yours,

Lonnie R. Stephenson  
International President
